

MAITLAND
A Community for Life

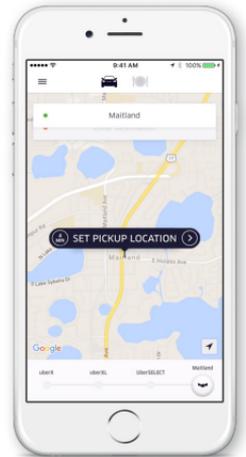

THE PROJECT

A car is just minutes away with Uber! Known for its convenience and simplicity, Uber is changing how riders get from point A to point B. The cities of Altamonte Springs, Lake Mary, Longwood, Maitland and Sanford recognized Uber's role in streamlining emerging mobility needs and formed a first-of-its-kind agreement, creating an innovative solution to address evolving transportation needs.

Riders will receive a 20% discount on all trips that begin and end in each respective city. To increase SunRail ridership, all trips starting or ending at a SunRail station will receive a 25% discount. The cities are excited to offer another resource to improve the quality of life in Central Florida. **Note:** *The discounts above only apply when the trip both begins and ends within the same city.*
