After a year of planning the much-anticipated Tuscarora Trail sidewalk, it is now ready for construction. Construction will begin on Monday, June 19, 2017, at 8:00 a.m. The project length is 60 days, with a goal to complete the sidewalk in time for the new school year in August so children can use the sidewalk to Dommerich Elementary and Maitland Middle School.

In advance of the construction, the construction crew at Estep Construction Inc. will shoot a pre-construction video at 7:00 a.m. on Wednesday, June 7, 2017. The purpose of the video is to capture existing conditions in the right-of-way of where the future sidewalk will be poured and constructed. The filming will only take one day.

Please visit www.itsmymaitland.com for the sidewalk plans and project updates.

If you have any questions or concerns, please contact me at (407) 539-6217 or ncooper@itsmymaitland.com. The contact person at Estep Construction Inc. is Mike Sturgeon and his contact information is (352) 742-4470 and mike@estepconstruction.com.

Sincerely,

Noel Cooper
Assistant Public Works Director
